In this tradition, in the eating of dates & قُرْآن ^{يُنْهى} "jinni" don't eat two ^{لَوْفَ}, nor pick a choice — or don't join two ^{لَوْفَ} dates. تَقْرُنْ بَلْهُ تَمْرَتَيْنْ - beat them ^{لَوْفَ}.

iii قَارَنَ الشَّوْالْتَيْنْ - the think in conjunction with another thing.

iv اِقْتَرَنَ بِهِ and he is joined to him and is his companion -

iii اِقْتَرَنَ الشَّوْالْتَيْنْ - he joins the things to one other. قَارِنٌ،
— قُرَانًا - I became his companion.

Hence قُرَانُ الْكَوْكَبِ - conjunction of the stars

وَقَرَنْتُ الشَّوْالْتَيْنْ - I united one thing to another.

الْقَرِينُ companion - friend.

الْقَرِينَانْ are Abu Bakr and Talha, because Uthman b. Thabit Allah
butter of Talha chose them and bound them ^{لَوْفَ} with a cord
hence they are called القرینانْ: And this is related in a

tradition. Abu Bakr and 'Omar are called القرینانْ. And in
a tradition not every guardian (spirit) a كَلْبٌ is a man's friend
or friend: that is often a devil, and everyone has with
him يَوْمَ عِثْرَةً of them, and his يَوْمَ عِثْرَةً of the angels who bin bdo
that is good and visits him twice. And after a tradition (another)
and the fight with him! ^{after} for with him is a قَرِينٌ, friend — and the
قرِينٌ is for what or woe. And in a tradition Mahomet قَرِينٌ
